Re: Required Submission Of Information
Chillum PERC Site, Hyattsville, Maryland

Dear [REDACTED]

On June 7, 2002, U.S. Environmental Protection Agency ("EPA") personnel conducted an interview with you at your facility listed above. On June 18, 2002 and July 12, 2002, the EPA issued letters to you requiring that you provide certain information and/or documents relating to the above-referenced Site pursuant to Section 104(e)(2) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. § 9604(e)(2). You provided a response to these questions in a letter dated July 29, 2002.

Please note that the response to question #4 of the June 18, 2002 letter was incomplete. During the interview at your facility, several hazardous waste manifests from the disposal companies were reviewed by EPA. You must provide copies of all hazardous waste manifests and also any invoices for the purchase of perchloroethylene within fourteen (14) calendar days of your receipt of this letter. This fourteen day period, however, is not to be construed as an extension of the original deadline and does not excuse any violation for failure to respond to the initial letter.

NOTICE OF POTENTIAL ENFORCEMENT ACTION

EPA hereby advises you that your failure to respond fully and truthfully to each question, or to justify adequately your failure to respond, may subject you to an enforcement action by EPA pursuant to Section 104(e)(5)(A) of CERCLA, 42 U.S.C. § 9604(e)(5)(A). This section authorizes EPA to issue an order directing compliance with an information request made under the statute "after such notice and opportunity for consultation as is reasonably appropriate under the circumstances." This letter constitutes such notice.

EPA hereby advises you that it may also seek judicial enforcement of its information request. Section 104(e)(5)(B) of CERCLA, 42 U.S.C. § 9604(e)(5)(B), allows EPA to seek judicial enforcement of an information request and authorizes the federal district courts to assess a civil penalty not to exceed \$25,000 for each day of non-compliance.

All documents and information should be submitted to:

Michael Welsh (3HS32)
Removal Enforcement and Oil Section
U.S. Environmental Protection Agency
1650 Arch Street
Philadelphia, PA 19103-2029

Be advised that the provision of false, fictitious or fraudulent statements or representations may subject you to criminal sanctions under 18 U.S.C. § 1001.

If you have any questions concerning this matter, please contact me at (215) 814-3243 or have your attorney contact Gail Wilson at (215) 814-2493.

Sincerely,

James McCreary, Acting
